I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: I use a compounded medicine  
that is shipped from Colorado.  
This medication has been very  
successful in treating my Osteoporosis.  
Please don't remove my access  
to this drug. Thank you — —
